Subject: Injured Hiker Rescued
Date: 6/22/2011

Larimer County Emergency Services and the Larimer County Search and Rescue Team responded once again to the Grey Rock Trailhead yesterday on the report of an injured hiker. The 911 call was received at approximately 1:55 p.m.

A 69-year-old Fort Collins man had fallen on the trail approximately one and a half miles from the trailhead and injured his leg. He was hiking with two companions.

14 members of the Search and Rescue Team, as well as personnel from the Sheriff's Emergency Services unit and Poudre Valley Ambulance, carried the injured man out. He was transported to the hospital at approximately 4:55 p.m.. His status is unknown at this time.
